

Lacey Elks Lodge

April 2020

Happy Easter!

With respect to upcoming Installation of Officers in lieu of holding the full ceremony on a special date and time with social affairs afterwards, the lodges may if they choose, simply have the incoming officers take their oath at a regular meeting of the Lodge. In the event that you are unable to conduct the installation of officers by April 15th, the installation will become effective April 15th and the new officers will assume their office on April 15th. The installation of officers will have to be held on a later date
